

REDMOND CHRISTIAN CHURCH

# Small Group Discussion and Prayer Guide

November 27, 2022

Read: Matthew 18:5-14

Ask:

- Why does Jesus say we must welcome children?
- In what ways do adults cause children to stumble?
- Is there any way in which you have had a poor impact on a child that you need to repent of?
- How do we need to protect children from stumbling?
- What causes adults to disdain children? Does your heart harbor any resentment of children?
- How should we go about helping kids find faith in Jesus? What pitfalls are there in this?
- How does our welcoming of the small demonstrate the gospel?

Pray:

- Thank God for the children of our church
- Confess that we often get tired or overwhelmed and struggle to rightly tend to the needs of kids
- Confess if there is any disdain for children in your heart
- Ask God to help us protect and love the children of our church well
- Pray for the kids of our church
