Please fill out *all* information for each player on your team. This information will help us to get tournament information and donation statements to you in a timely manner. Thank you.

Creating Momentum for a brighter future.

This year's proceeds from the RC Scramble will go to...

Thank you for participating in our 16th annual RC Scramble! Proceeds from this event will go directly toward financially assisting middle school and high school aged students at Redmond Christian Church who attend this year's camps and events. We never want financial strain to be the reason for a student not to participate in a student ministry endeavor. But when, for example, a week-long camp this summer costs about \$400 per attendee, it is understandable that many families could find it difficult to pay that amount of money. The funds from this year's RC Scramble will supply scholarships for students to go to camp and join events throughout 2023 and into 2024 regardless of their financial situation.

The whole purpose of our student ministry at Redmond Christian Church is to help middle school and high school students know and follow Jesus. We do this regularly over the course of the school year in our weekly get-togethers for Bible study and conversation. But once a year, we take groups of students to camps for week-long, concentrated times of fun, worship, learning, and connections. These camps are like mountaintop experiences of faith that help propel our students to further faithfulness, involvement in the life of the church, and love for their God throughout the whole rest of the year.

With the help of your generous participation in this year's RC Scramble, our student ministry at Redmond Christian Church will be enabled to offer middle schoolers and high schoolers unique opportunities to grow in their discipleship to Jesus. Thank you again for your support.
