

REDMOND CHRISTIAN CHURCH

Small Group Discussion and Prayer Guide

December 4, 2022

Read: Luke 1:39-45

Ask:

- Why do you think Mary and Elizabeth were so excited?
- How did their joy affect their interaction with one another?
- When do we need to be reminded of the faithfulness of God to fulfill his promises?
- Do you find that the joy of the gospel comes up often in your conversation with other Christians? If not, why not?
- How can we work to encourage each other in the gospel this Christmas season?
- Are there any traditions that you need to start with this? Any rhythms of life that you can prioritize in your family or friends?

Pray:

- Praise God for his faithfulness to fulfill all of his promises
- Confess that we often allow our conversations and interactions to remain at a shallow level rather than exhort and encourage each other in our faith.
- Ask God to help us center all of our lives, including our Christmas season, life rhythms, and social interactions, on the gospel
