

REDMOND CHRISTIAN CHURCH

Small Group Discussion and Prayer Guide

March 26, 2023

Read: Matthew 21:23-32

Ask:

- Do you have problems with authority?
- Are there any areas of your life that you do not want God to speak into? Do you functionally act like God has no right to tell you what to do in some areas of life?
- Are there any areas of life in which you are only paying lip service to God without acknowledging sin and choosing repentance?
- What would it look like for you to repent of those sins?
- What reasons are there for trusting Jesus's authority over your life? Why should you entrust every part of your life to him?
- What is one thing that Jesus is telling you to change in your life?

Pray:

- Praise Jesus for faithfully living in perfect obedience to His Father even though we have not
- Thank Jesus for giving his perfect life in exchange for our disobedience and sin so that we can be reconciled to the Father
- Confess that we sometimes reject His authority out of fear or selfishness
- Ask Him to help us increasingly yield our lives to Him in trust and obedience
- Ask Him to give us specific, practical insight in the particular things we need to repent of
