

## Discussion and Prayer Guide September 13, 2020

Read: Ruth 3

Ask:

- What wise elements of Naomi's plan do you see in the text?
- How do you make plans and decisions? How do you know if they are wise and prudent or not?
- Have you recently made any plans or decisions without considering the will, commands, or purposes of God?
- Do you regularly seek God prayer and Scripture as you make plans and decisions in everyday life? Why or why not?

Pray:

- Acknowledge that God is infinitely wise and discerning, and that he is the ultimate source of all of our wisdom and discernment
- Acknowledge his sovereignty and providence in all spheres of life
- Confess that we often go about our business making plans and decisions without considering God
- Ask God to help us make wise and prudent plans in dependence upon him
